SUMMERTIME CRUISIN'

Celebrating 20 years rockin' & rollin'!

SUMMER 2015

20TH ANNIVERSARY OF SUMMERTIME CRUISIN'S!

WOW, it's a hard to believe it's been 20 years. The Cruisin' will be opening on June 3rd for another season of cool rides, fun in the sun, and friends. It seems like the show gets better each year because of all the people we meet, the participants, and of course, the money we ALL raise for Charity. We think this makes Beaches Summertime Cruisin' a very unique community event...You give back to those in need just by showing up!

Our show will continue to provide all kinds of entertainment each week. The live music, drag racing, kids activities, door prizes, 50/50 raffle, show winners, BBQ, and YOU. We know that your participation each and every week continues to make this show one of the biggest weekly shows in the nation. We are now headed into our 20th season and look forward to seeing all of you again.

We'd like to thank our Board of Directors Marc, Susan, Joyce, Vern & Ali; the team at PIR; Ovations Concessions; the Beach Team; Multnomah Hot Rod Council volunteers; and all our Sponsors. We couldn't do this without the help of each of you. So, get that cool ride revved up, think Sun, and be ready for Fun!

BEACHES SUMMERTIME CRUISIN' HAS QUITE THE HISTORY!

It was 1996 and I invited Bruce Russell from the Slo Poks to meet me at the restaurant one morning. We sat down by the window looking at the river and I asked him, "If we did a little BBQ out by the Volleyball court on Wednesdays, do you think any of the Hot Rod folks would show up?" Bruce schooled me for awhile & we came up with a plan for a Wednesday Night Cruisin' at Beaches Restaurant. You couldn't get much better than the Columbia River, Sunshine, Volleyball, a BBQ & friends. The plan was set, and the Wednesday night Cruisin' was launched!

That first year turned out to be wildly successful in our minds...averaged 20 Hot Rods a week...WOW. With the help of my 'consultants' Velve, Jack, Phil, Marilyn, Tom, Betty & a few others, we kept doubling the size of the show. In 1998 we added Thursday nights with Corvettes, Vipers, Harleys & Exotics. By 1999, both Wednesday & Thursday nights consumed the neighborhood, so we were politely asked to move. Pearson Air Museum began in 2000 where the criteria became Pre-73 with the addition of any year Vettes, Vipers, Bikes & Exotics. We combined the two shows into one- it seemed only fair to grandfather in those folks who helped us in the early years. And, we decided to make the entire event a fundraiser for local kids in need... Cool! In 2004, we moved to Portland International Raceway with the help & persuasion of Mark

Wiggington. Yea, he was right, this be a cool venue for the show! In 2011 we evolved the show once again by adding specialty nights where some of those rides that don't meet the typical 'Show criteria' can come in and showcase their vehicles, i.e. Modern Muscle, Tricked out Trucks, etc...And, on each night we showcase a 'Club' who may just bring multiple years of a specific model of car. You the Guests asked for it, so we made it happen. That brings us to today where it averages over 1100 cool rides each week.

So..... this little marketing gimmick in 1996 lead to a cool Community event that raises money for Charity- pretty nice evolution of a crazy idea!

Next time you can't figure out where to go, come on out to the Portland Airport & take a vacation without leaving town. It is a great place for Breakfast, Lunch or Dinner for a great experience with our Team. It's a cool tropical setting, and if you have a large group where you're trying to do something different, let us take care of all the details. You'll also enjoy our Hot Rod display where we feature local cars. This month we have Doug Beattie's '32' 3 window, chopped coupe. We're talking a real custom machine with a little bit of Horsepower. Drop on in whether you're flying out of town, or flying around town!

VANCOUVER BEACHES ON THE RIVER

Yep, 20 years! Come in and enjoy an eclectic menu from our exhibition kitchen. Yes, it has great food, a lively atmosphere, and oh yes, it has this little thing called the Columbia River, which isn't a bad view. But the best part of this experience is a Team that just plain makes ya feel good.

Join us for Lunch, Dinner or Happy Hour . And when the sun is out, there's nothing like sitting on the patio watching the boats go by. In addition, we do full-service catering for those large parties you'd like to do in your home, or the location of your choice.

BEACHES CHARITY FUND

Raising Money for those in Need

Mission: Provide a fun, entertaining community event that allows us to raise money for local kids in need.

Our criteria for giving comes down to a simple premise- It must have a positive affect on a local need with 100% of the monies committed to a specific cause/program. We work closely with organizations like the Foundation for Vancouver Public Schools, the Boys & Girls Club of SW Washington, Share, the Free Clinic, POIC Rosemary Anderson Alternative School, the YWCA, Children's Justice Center, NW Association of Blind Athletes, as well as many other organizations. It is our intent to be an ongoing source of funds for those who need a little help. We have been lucky to have such a great following all these years, i.e. it just feels good to have fun and give back all at the same time!

Our charity fund is a Non-Profit company with 503(c)3 status. To date, the Beaches Charity Fund has donated in excess of \$1.7 Million to local programs. It took 15 years to hit our first million- we will hit \$2 Million by 2016. We couldn't do it without the support of our friends in the community.... Thanks!

Tim...ya need more horsepower!
