SUMMERTIME CRUISIN'

Celebrating 24 years rockin' & rollin'!

SUMMER 2019

WELCOME TO ANOTHER SUMMER OF CRUISIN' FUN!

WOW, it's a hard to believe it's been 24 years. The Cruisin' will be opening on June 5th for another season of cool rides, fun in the sun, and friends. It seems like the show gets better each year because of all the people we meet, the participants, and of course, the money we ALL raise for Charity. We think this makes Beaches Summertime Cruisin' a very unique community event...You give back to those in need just by showing up!

Our show will continue to provide all kinds of entertainment each week. The live music, drag racing, kids activities, door prizes, 50/50 raffle, show winners, BBQ, and YOU. We know that your participation each and every week continues to make this show one of the biggest weekly shows in the nation. We are now headed into our 24th season and look forward to seeing all of you again.

We'd like to thank our Board of Directors Marc, Susan, Joyce, Vern & Ali; the team at PIR; Ovations Concessions; the Beach Team; Multnomah Hot Rod Council volunteers; and all our Sponsors. We couldn't do this without the help of each of you. So, get that cool ride revved up, think Sun, and be ready for Fun! 

They just keep rollin' in....one BIG Show!

BEACHES SUMMERTIME CRUISIN' HAS QUITE THE HISTORY!

It was 1996 and I invited Bruce Russell from the Slo Poks to meet me at the restaurant one morning. We sat down by the window looking at the river and I asked him, "If we did a little BBQ out by the Volleyball court on Wednesdays, do you think any of the Hot Rod folks would show up?" Bruce schooled me for awhile & we came up with a plan for a Wednesday Night Cruisin' at Beaches Restaurant. You couldn't get much better than the Columbia River, Sunshine, Volleyball, a BBQ & friends. The plan was set, and the Wednesday night Cruisin' was launched!

That first year turned out to be wildly successful in our minds....averaged 20 Hot Rods a week...WOW. With the help of my 'consultants' Velva, Jack, Phil, Marilyn, Tom, Betty & a few others, we kept doubling the size of the show. In 1998 we added Thursday nights with Corvettes, Vipers, Harleys & Exotics. By 1999, both Wednesday & Thursday nights consumed the neighborhood, so we were politely asked to move. Pearson Air Museum began in 2000 where the criteria became Pre-73 with the addition of any year Vettes, Vipers, Bikes & Exotics. We combined the two shows into one- it seemed only fair to grandfather in those folks who helped us in the early years. And, we decided to make the entire event a fundraiser for local kids in need... Cool! In 2004, we moved to Portland International Raceway with the help & persuasion of Mark

Wiggington. Yea, he was right, this be a cool venue for the show! In 2011 we evolved the show once again by adding specialty nights where some of those rides that don't meet the typical 'Show criteria' can come in and showcase their vehicles, i.e. Modern Muscle, Tricked out Trucks, etc...And, on each night we showcase a 'Club' who may just bring multiple years of a specific model of car. You the Guests asked for it, so we made it happen. That brings us to today where it averages over 1000 cool rides each week.

Susan & Ali present check to Elise from BGC!

So..... this little marketing gimmick in 1996 lead to a Cool Community Event that raises money for Charity- pretty nice evolution of a crazy idea!

Located on the Vancouver Waterfront, WareHouse '23 is a restaurant and event space. Come down for lunch, dinner or Sunday brunch. Live music is featured Tuesday-Saturday nights, with special band events in our Bridgeside Room. The Event Space can handle parties up to 500; Corporate Meetings; Weddings; Reunions; etc. And stay tuned for a potential Sunday Breakfast Cruisin' this Summer.

BEACHES PDX

Next time you can't figure out where to go, come on out to the Portland Airport & take a vacation without leaving town. It is a great place for Breakfast, Lunch or Dinner for a great experience with our Team. It's a cool tropical setting, and if you have a large group where you're trying to do something different, let us take care of all the details. You'll also enjoy our Hot Rod display where we feature local cars. Pictured is Terry Hanson's 1955 Nash and TerriLynn's Pirate Bike.

Thanks Terry, Linda, Al & TerriLynn!

VANCOUVER BEACHES ON THE RIVER

Come in and enjoy an eclectic menu from our exhibition kitchen. Yes, it has great food, a lively atmosphere, and oh yes, it has this little thing called the Columbia River, which isn't a bad view. But the best part of this experience is a Team that just plain makes ya feel good. Join us for Lunch, Dinner or Happy Hour. And when the sun is out, there's nothing like sitting on the patio watching the boats go by. In addition, we do full-service catering for those large parties you'd like to do in your home, or the location of your choice.

THANKS TO OUR 2019 SPONSORS...Please Thank our Community Partners!

BEACHES CHARITY FUND

Raising Money for those in Need

Mission: Provide a fun, entertaining community event that allows us to raise money for local kids & families in need.

Our criteria for giving comes down to a simple premise- It must have a positive effect on a local need with 100% of the monies committed to a specific cause/program. We work closely with organizations like the Foundation for Vancouver Public Schools, the Boys & Girls Club of SW Washington, Legacy CAAT, the Free Clinic, POIC Rosemary Anderson Alternative School, the YWCA, Children's Justice Center, NW Association of Blind Athletes, as well as many other organizations. It is our intent to be an ongoing source of funds for those who need a little help. We have been lucky to have such a great following all these years, i.e. it just feels good to have fun and give back all at the same time!

Our charity fund is a Non-Profit company with 503(c)3 status. To date, the Beaches Charity Fund has donated \$2.7 Million to local programs. We hit our first million in 2011 after 15 years, we hit \$2 Million by 2015 & on our way to \$3 Million by 2020. We couldn't do it without the support of our friends in the community...Thanks!

Les Schwab has been a sponsor of Beaches Cruisin's since 2005, 15 years. They're not just any tire store, they truly take pride in giving the best in service & quality since 1952. They are just a great community partner!

The Columbian is also a long-time sponsor, 15 years. The Columbian has been an independent and locally owned newspaper since 1890. Jody and Scott Campbell are third-generation owners, and they are committed to making a difference in our community.

Vesta Hospitality & Homewood Suites is on their 2nd year with us. Rick Takach's company Vesta Hospitality manages over 30 hotels nationwide and is based right here in Vancouver. They not only offer quality products under various brands, but provide the best in service.

Riverview Community Bank is on their 9th year. Founded on a desire to see success in our community, they are the largest community bank in the Metro area; the only one headquartered in Clark County. They truly make a difference through all of their donations & volunteer efforts.

Dick Hannah Dealerships is going on 9 years. Family owned since 1949, Dick Hannah Dealerships believe in superior customer service & supporting our community, i.e. their motto of Believe in Nice. Dick, his family, and team put on a nice display each week at the Cruisin' to support our efforts.

Crater Lake Spirits Living in the mountains and making great spirits; this Bend Oregon distillery has been using the best of Nature's ingredients to ignite the craft cocktail revolution. They are also committed to community involvement, which makes it a perfect partnership. Alan & Nick... Thanks!

Maaco of Vancouver is also with us again this year! Tim Ciri has been providing body & collision repair right off Andresen for a long time, and, does great work with Hot Rods & Classics & our Cruisin' shuttles.

Garage Motorsports has been an in-kind sponsor for 13 years. This is a full service restoration shop that can do anything around your hot rods & classics. We also appreciate their willingness to give back to those in need.

Multnomah Hot Rod Council has been helping us at the event for several years with volunteers. We are continuing, and expanding that partnership, as we look to the future in getting better each and every year.

Interstate Rentals is on their 5th year with the Cruisin'. They have everything you need for rentals- plus they do event planning. This local company provides great service with both of their companies. We know because Beaches uses them exclusively for our Catering!
