Jeremiah, Earle & Bryce wishing y'all a Happy Valentine's Day!

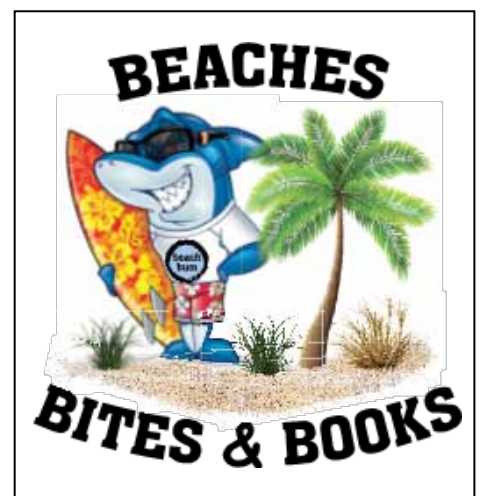

You Are Borderline Fascinating!

As one of our Guests, we think you can be approachable, funny, interesting, and at times witty! On a good day, you are fascinating to talk to. That's what piques our interest in getting to 'know' you. I've always found the hospitality industry interesting because we have the luxury of meeting a lot of different people with all kinds of backgrounds & families. Can you imagine how much fun it is to choose a career or job, where the primary function is to just make people feel good. Yep, our team is gonna get nosy and get your name, and maybe get a little personal. Yes, we're a little aggressive at times, but that's what true hospitality people do for a living. It's in our DNA. We also act that way because we care... We just can't help ourselves. It is the true enjoyment of being in the restaurant business. It simply comes down to a team who wants to Amaze you today. To make you smile. If you'd like to challenge our commitment... just try & inconvenience us... not gonna happen!

Welcome to the Beach!

Two Big Days This Month! Superbowl Sunday

The teams are decided and we're ready to make it a fun-filled, energized Super Sunday with the Beach Team. 3:30pm kickoff on February 12th!

Valentine's Day

Call for a reservation and enjoy a fabulous dining experience with your loved one. Choose your day to celebrate...over the weekend or on the 14th. We've got you covered!

Clark County Event Center

We've been doing a lot of concessions and caterings at the Event Center these past couple of months. It's a great location for big groups, trade shows, company events, etc. Coming soon is The NW Largest Garage Sale as well as the Home & Garden Fair. Once springtime hits, the Fairgrounds Team starts preparing for the Clark County Fair scheduled August 4-13th.

It's coming off record attendance in 2022 so we're expecting a big show once again. We'll be there!

SUMMER SOCIAL & CRUISIN'

Raising Money for those in Need

Never too early to start planning your summer! Opening night is June 7th at Portland International Raceway. Our 28th season of cool rides, great bands, food & drinks, and just plain fun!

Beaches is a Presenting Sponsor for the 2023 Roadster Show. It's going to be big this year spanning through 4 halls at the expo center. We will have a 110'x30' display of cool rides, palm trees & 20 tons of sand. Put it on your calendar- you don't want to miss it!

Alicia hangs with our good friends Montana, John & Patricia at the Charity Table. Yes, it's the best table in the house because of the good work it does in raising charitable funds. And oh yeah, then there's the River. Seats up to 6 people- call for a reservation.

Team Member Highlight

Sergio 'Mosquito' Alvarez joined the team in 2003 as a dishwasher. He quickly became part of our prep team & learned the cooking lines. When we opened the Portland Airport Beaches, he went over there and did it all.... Getting there at 4am. As we expanded, he ended up working at Warehouse 23 to help with the weekend brunch. And once we took over the Clark County Fairgrounds food service... yep, he does that too. He is a valuable part of our team, but most importantly, he has a cool micro-bus that he refuses to sell to me! Sergio... thanks for all the dedication.

SW Black Bean Burger!

We've loaded our black bean patty with fried shiitake mushrooms, onion, arugula, tomato, swiss cheese, housemade black bean salsa and a zesty mushroom aioli. Delicious flavors!

Bananas Foster Pina Colada!

There's a new tropical flavor at the Beach! The Bananas Foster Pina Colada includes house spiced rum, Myer's Dark rum, banana plus all the fun pina colada flavors! It's a great variation on one of our favorite drinks!

Community Is More Than Geography!

As we start a fresh year, Beaches is excited to do our part in ensuring we have a positive impact within our Community. That means we need to reach people who need a little help to achieve their dreams. Some have insurmountable hurdles that can only be knocked down when people step up & choose to make a difference. We've been lucky to have a team that helps out, and a whole lot of friends that make it possible to donate to good organizations that closely work with all kinds of people & needs. We surpassed \$3.4 Million in donations by the end of 2022 and are on our way to \$4 Million by 2025. We will also continue programs like Read across Clark County, Beaches Summer Social & Cruisin', Cash-back Days, Holiday Meals, Charity Tables and anything else that involves You! We can't thank our Sponsors of the Cruisin' enough for all their help & dedication. And, special thanks to Leslie Durst & the Courtney Irvin Foundation. We appreciate your commitment to our community.

Thanks to our Sponsors!

KOOL KAHUNAS

Mondo's World

Ahhh yes, life is a cool ride of possibilities. We need to make sure we laugh, smile and have fun every single day. The people & friendships we make and how we value & respect each other is really all that matters in life. In Mondo's World, it is about trying to do what is right to ensure everyone feels like they belong & that they feel like family. Now wouldn't it be a crazy fun world if we practiced this with all people, everywhere. Just rise up & shine like my beachbum friend Chris.... TFTM!

Austin & Ulises hangin' with Chris....pure magic!
