And What Will 2025 Bring?

Even though we are on our 'last wave', next year is beginning to look good for community programs that we've been doing for years. Green Eggs & Ham' for all the first graders in our community will continue thanks to Read NW whose mission focuses on literacy. Beaches Cruisin' has a group that wants to ensure lots of fun during the summer months at PIR for the car culture out there. And finally, the Holiday Meals could become an annual event with use of the Clark County Event Center. So, even though the restaurant will be a memory, the charitable work lives on. The only way this happens is with good people who care about traditions, and people who want to help those in need. That includes my team, our friends, our guests, and a community that recognizes this is a pretty nice place to work & live. Thanks,

Mark

Coco hangin' out at the Beach!

Fire up the Hot Rod & join us May 11th from 7am-11pm at Se 10th & Hawthorne. Nothing like a tasty Breakfast Polish Dog!

Team Member Highlight

Monica started with us in 2008 helping in the kitchen with recipes & food presentations. Because of her experience, she evolved into all areas of operations. She eventually moved to Seattle with her family and started doing much of her work remotely. She takes care of accounting, marketing, social media, and other fun tasks as they arise. In addition, she helps her daughter with Treat Cookies in Burien... seriously good cookies. Great having her on the team!

New Burger at the Beach!

Here's a twist that tastes delicious...the new Cranberry Brie Burger. It's has a Cranberry Brie spread, toasted almonds, arugula & crunchy fried onions. Yum!

Mimosas for Mom!
 Mother's Day is a great time to enjoy one of Beaches' mimosas! We will have a variety of fruity flavors for you to try with your bubbly as you celebrate all of the amazing moms this month!

GIVING FUND

Raising Money for those in Need

Philanthropy is a simple concept. It comes down to understanding the needs of others and then doing something to make a difference in their lives. I'm proud that it is part of our Culture not only at Beaches, but in this community. The fundraising activities we do are successful because of the team, our friends, and you. It is a collaboration of people who care, focused on one vision.... Give everyone the chance to dream. We can't thank our Sponsors enough, as well as friends like Leslie, Susan & Dean, the Ed & Dollie Lynch Fund and so many others who help us achieve some pretty nice donations each year. We surpassed \$3.6 Million in donations through 2023 and are on our way to \$4 Million by year end. We are rolling into our last Cruisin' season at PIR and expect some big nights this summer. So, get ready for fun.... It's going to be a cool ride! Thanks to all of you!

Thanks to Our Sponsors!

Mondo's World

Ahhh yes. In this crazy world out there, it's so nice to experience 'character' at its finest... we're talking one class act! Back in 2001, we did a catering for 300 people on July 4th where the company quickly hit hard times due to the crash of high tech. They were good friends, so I wrote a letter and told them to take care of their team & vendors first- pay us last. The company closed, but our friendship continued and we laughed about their 'bill' being current no matter what year it was. On April 6th, 2024, 23 years later, he showed up with the letter I wrote on Sept 13, 2001, and a check for the full amount... plus 20% extra for the team. Yep, in Mondos World, it's the World as it should be. We got good friends!

1988 Porsche 911 Carrera Donation

This year at the Boys & Girls Club Annual Fundraiser on June 1st we will be auctioning off this car donated by the late Paul Besserman. 1988 was special for Porsche since it was the 25th anniversary of the 911. If you have a serious interest in looking at this car before the event, contact Mark here at the Beach!

Welcome to the Beach!

One year anniversary on June 1, 1996 was a Beach Party. There was Volleyball; the band 5 Guys Named Moe played music; There was a BBQ & Bar next to the Volleyball Courts; about 25 Hot Rods lined the Parking Lot; and of course the 3 Skydivers. Yes, Darrel and friends skydived in around 6:00pm shutting down Portland International Airport for about 30 minutes... all legal!

Time to celebrate Mom on Sunday, May 12th...call and make your reservation today!

Summer Evenings at the Beach are back!

Yep, it's almost here. We are shooting for June 5th as opening night at PIR. As usual, we will feature the Slo Poks who were instrumental in helping us start the show back in 1996. They started the club in 1952... do the math! We were so excited when we averaged 25 cars a week that first year here at the restaurant. Lets just say it got bigger. Look forward to our 29th season of raising money for those in need... and having Fun!

Opening Night at Beaches Summertime Social & Cruisin is going to be BIG!
